Chifley Public School

Curriculum

At Chifley Public School we aim to build in students a life-long love of learning. This is achieved through:

- Implementing programs that encompass all six Key Learning Areas
- Creating a learning environment which encourages skill development in:
  - Creative thinking, communication, decision-making, problem solving and positive social interactions

Enrichment Programs

We nurture gifted and talented students by offering extra-curricula programs in a range of areas including:

- Academic (Maths Olympiad, Public Speaking and Debating, Philosophy)
- Creative Arts (Choir, Dance, Guitar)
- Participation in ICAS competitions
- Sport and Recreation Camps
- Student Leadership and Ecological Sustainability

Support Programs

Children with special needs are also well supported at Chifley Public School through:

- A well established Learning Support Team
- Specific Literacy Programs to support Indigenous Students
- Support teachers specialising in Learning Difficulties and teaching English as a Second Language
- The development of Individual Learning Programs

Sport

Chifley Public School has a proud sporting tradition offering a range of competitive and non-competitive sports for all children. Sporting opportunities include:

- PSSA participation (cricket, softball, rugby league, netball)
- Swim Scheme Programs
- Daily Fitness

Uniform

All Chifley Public School children are expected to wear full school uniform at all times. We institute a “No Hat No Play” Policy as part of our Sun Protection Strategy. All uniform policies are fully endorsed by the parent body.
